Today

A deeper dive into fancier uses of first-class functions, using two different sources of demos.

Miscellaneous

• Project 1.1 due in just under a week from today.
• Thursday's recitation: HTML and scripting with HTML documents

• *Monday*.* first in-class quiz!* Ideally bring a laptop or some other wireless-enabled device capable of submitting web forms (multiple-choice only, 15 minutes).

• We will hand out quizzes on paper, but we can grade faster if you submit answers online!
