Quiz 1 Results

• Solutions to the quiz are posted on the course website.

• Graded quizzes have been returned to you during your assigned recitation on Tuesday 3/8.

• Below are final statistics for 6.041 and 6.431 students. Both histograms are raw scores, no normalizing has been done.

• Regrade Policy: Students who feel there is an error in the grading of their quiz have until Friday March 11th to submit the regrade request to their TA. Do not write anything at all on the exam booklet! Instead attach a note on a separate piece of paper explaining the putative error. Any attempt to modify a quiz booklet is considered a serious breach of academic honesty. We photocopy a substantial fraction of the quizzes before they are returned, implying there exists a nonzero probability of us catching such a change. We also reserve the right to regrade the entire quiz, not just the problem with the putative error.
