DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

18 Sep 2008
Office of the Dean for Medical Education, Harvard Medical School
“effective immediately, faculty and students must disclose any financial interests they may have in a pharmaceutical, biotechnology, medical instrument company, or other business which owns or has a contractual relationship to the subject matter being reported or discussed in a presentation, lecture, tutorial, paper, or other teaching exercise or assignment.”

I currently obtain royalty income from Ed. Geistlich Söhne AG (Switzerland), and I consult for the company. The specific products covered by these agreements will be identified whenever mentioned in class.
